

Greetings [member\_name\_first]. . . May's WebbNews includes:

- [Social Media & Your Business](#)
- [Spring Cleaning & Your Computer](#)
- [How To Keep Your "Old" Computer Running Well](#)

### **Social Media & Your Business**

Facebook, LinkedIn and Twitter, Oh My!

Social media is a great way to expand your business networking efforts! But how do you get started? [Here is an introduction to these three popular social media sites...](#)

### **Spring Cleaning & Your Computer**

Not only do computers need the dust cleared away, they need unused programs removed too. [Click here for some tips on how to clean your computer.](#) And if you don't feel comfortable doing this yourself, please [contact us](#) for a recommendation of a helpful tech support resource. \_

### **How To Keep Your "Old" Computer Running Well**

With new computer prices so low, it's tempting to buy a new one rather than fix your old one. However, many times your old one just needs a little bit of help to run better. [Click here for tips](#) and if you'd like some professional tech support, please [contact us](#) for a recommendation.
